## My positive plan for Manor & Tangier

### **Galmington Play Park**

Galmington Park will now be run by the town council. Bev will work to ensure new under 5 equipment is installed and the park maintained.

### **Tackle Speeding**

Bev wants the town council to collaborate with the Police and Somerset Council to fund Speed Indicator Devices on roads where residents are concerned about speeding, e.g. Galmington Drive.

### **Address Parking Issues**

Work needs to continue with the new Somerset Council to look into how to address the parking issues on Musgrove and Belmont Road.

# Bev Fernandes

Bev has lived in Bishop's Hull for over 12 years.

Passionate about keeping our open spaces free from development, Bev was actively involved in the prevention of building on Galmington Playing Field. She would like to see the heart put back into our county town making it a vibrant and attractive place for residents and visitors once more.

Bev is keen to support and represent her ward by listening to and acting on the concerns of residents.

## 3 Priorities for Taunton:

- ✓ More provision, whether that be leisure or health, for our young people through a designated youth fund.
- ✓ By working with Somerset Council and other partners, we will aim to make the town the best it can be, to help boost business growth, fill empty shops and add more leisure facilities.
- ✓ We will collaborate with residents, community groups and Somerset Council to make improvements so that the town is accessible for all.
