Amber Packer-Hughes

I was born in Taunton and came back to have a family here 20 years ago. I have been actively involved in the Taunton community ever since.

I am a founder member of Friends of French Weir Park, spent 12 years as a governor of North Town School and am a trustee of 2BU Somerset. I ran my own catering business before becoming the marketing officer for Somerset Registration Service, as well as working with the Library service.

I'm passionate about building a strong, vibrant community and making Taunton the best it can be.

Connor Sollé

I live in the centre of Taunton with my wife and I am a carpenter for my family's company.

I have a passion for heritage buildings, architecture and for history. I love to see our local heritage appreciated and restored. In my own time, I play football for a local team. I also have an interest in cryptocurrency and business.

I want to help do my part to improve Taunton's reputation as a positive and happy place to live, for businesses to invest and for residents to be proud to call their home.

3 Priorities for Taunton:

Engage with young people to provide better youth activities and support.

Find creative opportunities to make Taunton a greener, more attractive and sustainable town.

Promote Taunton as an arts and culture destination with more seasonal events.
